## Bendix® EnduraSure® Spring Brakes

### Two Great Options for Your Fleet's Needs

Choose between standard or sealed Bendix® EnduraSure® spring brakes – both deliver durability, long service life, and lower total cost of ownership.

#### EnduraSure®-Pro Spring Brakes (Sealed)

*Designed to help protect against contamination*

- Helps address the #1 cause of spring brake failure: broken power springs
- Lightweight design
- Warranty: 7-year (ADB), 6-year (drum)

#### EnduraSure® Spring Brakes (Non-Sealed)

*Lightweight durability with long spring life*

- More than 3X the power spring life of competitive non-sealed chambers
- Lightest T-30/30 in the industry
- Warranty: 4-year

# CHELSEA<sup>®</sup> 810 SERIES

## PTO for Ford 8-Bolt 10R140 Transmission

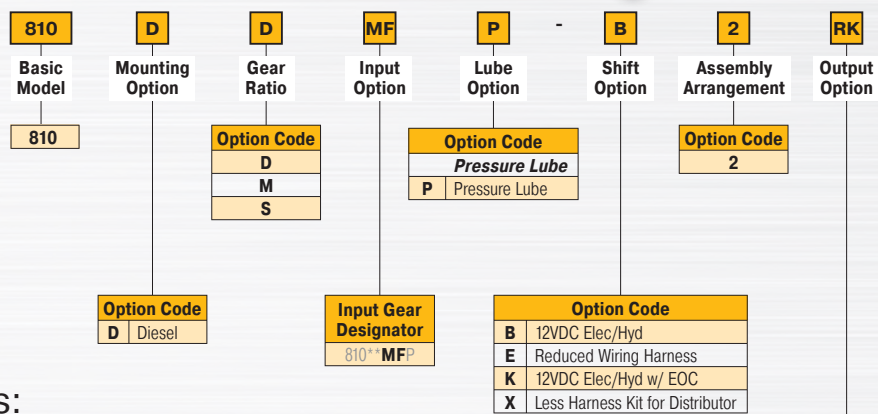

Parker Chelsea has made significant improvements to the 810 Series Power Take-off for the 8-Bolt version of the 10R140 transmission. The same patented noise mitigating design used in the industry leading 210 Series has been incorporated into the 810 Series. Unlike our competitors, the 810 Series offers multiple speed ratios and output options to better serve your many application requirements.

810 Series

### Applications:

- Refuse Trucks
- Utility Trucks
- Dump Trucks
- Tow and Recovery Trucks
- Fire and Rescue Trucks
- Snow and Ice Trucks
- Service Trucks

### Product Features and Benefits:

- Patented noise mitigation
- Common pump mount and drive line options
- Multiple ratio and output options
- SmartStart Technology to minimize the initial torque spike at engagement
- Proven Parker Chelsea durability
- Power-dense design
