84651-4	\$385.00
84661-4	\$445.00

BUILT FOR THE HARSHTEST ENVIRONMENTS

From off-road to on-highway, Grote's versatile LED Combination Head Lamps bring durability and high visibility to any heavy-duty application. Whether moving your harvester between fields or mounted as auxiliary lighting on your wheel loader, these rugged lamps will get you where you need to go.

Grote's new LED heated snow plow lamps feature an integrated sensor that activates automatically to melt away snow and ice from the lamp's surface.

DOT and FMVSS certifications, along with our 2-year warranty, provide peace of mind when using these high-end lamps in extreme conditions.

Additional features include 12–30 VDC operation and a DT series connector harness. Our newly designed retail packaging acts as an attractive and informative sales tool.
