Bostrom Wide Ride+ Black Ultra-Leather, HiPro Suspension, Hi-Back w/Dual Arms and CVG's exclusive BackCycler® The Wide Ride+ is engineered to provide the ultimate in truck seat comfort, it delivers superior support and extra cushioning to enhance comfort during long hauls. This seat has 16" long armrests, air-powered bolsters, front and rear cushion tilt, and the exclusive BackCycler® System, when engaged it is proven to reduce back pain. The BackCycler® continuously inflates and deflates along lumbar region to minimize stiffness and discomfort over extended drives. Living up to its name, the Wide Ride+ features a spacious 23" seating surface to accommodate drivers of all shapes and sizes. It's built on an isolating scissor suspension equipped with a high-performance damper to reduce vibration, ensuring a smooth and stable ride even on rough highways.

Bostrom T-Series - Black Mordura Cloth, HiPro-915, Hi-Back w/Manual Lumbar Support and Wheel Style Adjustable Armrests. The T-Series seat provides a Flex Support Cushion System that reduces cushion compression reducing pressure points enabling drive more comfortably, longer. Scissor action suspension delivers superior weight distribution providing a stable driving platform. Bostrom's patented ParaBar II manual lumbar adjustment offers a continuous range of adjustment.

National Captain – HiPro 95 Air Suspension, Black Mordura Cloth, Hi-Back w/ratcheting adjustable arm rests. The Captain series is built on our top-selling truck seat platform, known for its ergonomic comfort and low cost of ownership. Adjustments such as air lumbar and rear cushion tilt, and seat isolator make the Captain is ideal for most general trucking applications. The 95 air suspension with 6" of vertical travel delivers comfortable buffering from road vibration and is suitable for class 7-8 Heavy trucks.
