MAXIMUM BRAKING POWER

HEAVY DUTY BRAKES

BLS
BRAKE LINING SUPPLY

Abex® friction products are engineered for maximum braking power and minimum cost per mile. Abex is the ideal choice for heavy duty braking performance.

TAILORED FOR THE RIDE EXPERIENCE

Our full line of aftermarket products - from the internal valving technologies to springs and top-mount components - are engineered to address each vehicle's specific ride performance and handling profile to provide safe, comfortable, precise handling and control.

National
Oil Seals & Bearings

PREMIUM SOLUTIONS

SEALS & BEARINGS

The National® brand of oil seals and bearings has built a reputation as one of the most respected names in the industry. We provide premium quality, no-compromise solutions for virtually every wheel-end repair.

WAGNER

LIGHTING

Whether you are driving at night, in the fog or in heavy snow, you can count on Wagner® - The Automotive Lighting Experts - to lead the way. From headlights to taillights and all the other various lights in your vehicle, Wagner delivers superior quality with premium products that are Department of Transportation (DOT) compliant and meet or exceed Society of Automotive Engineers (SAE) standards.

“Your One Stop Shop for Genuine Bendix Products”

The Solution For Maximum Stopping Power & Control

ADB22X

Air Disc Brakes

Front and Rear Applications

- Provide surer, safer stops
- Require less maintenance
- Lasts longer - typically twice the lining life, four times the rotor life
- Cut service time in half
- Less truck downtime
- Healthy return on investment

SUPERIOR PERFORMANCE

Shorter Stops

- Stops 42 feet shorter than today's drum brakes** from 60 MPH
- Stops 100 feet shorter than today's drum brakes** from 70 MPH

Better Braking Feel

- Passenger car like feel
- Improved side to side brake consistency

Safety

- Greater braking power can result in fewer accidents

LOWER MAINTENANCE

Longer Lining Life

- Typically twice the lining life of drum brake applications

Sealed Design

- Sealed design, no periodic lube required
- Sealed reliable, integrated automatic brake adjustment

Quick Pad Changes

- Quick change pads - 15 minutes per brake (with wheels off)

LIGHT WEIGHT

Design Optimization

- Weight comparable to high performance larger (16.5") front drum brakes
 - Patented splined rotor design with Aluminum Hubs for optimized weight
 - Lightest dual piston air disc brake available
- Advanced Braking Technology

Advanced Braking Technology

Point Spring & Driveshaft Co.

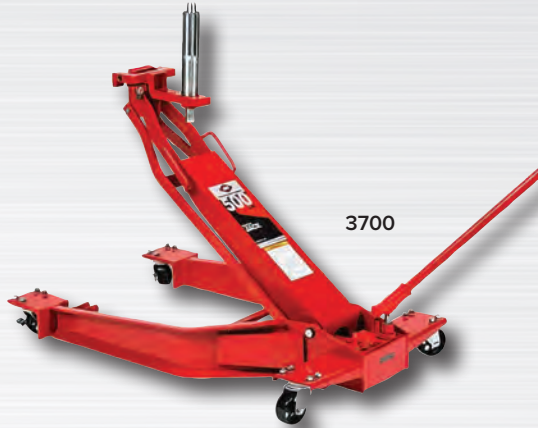

Since 1926

Multi-Purpose Maintenance 14 oz. Spray Can

- Quickly loosens frozen or seized parts
- Invades hard-to-reach crevices and creeps through the tightest seams
- Displaces moisture
- Corrosion Control: Forms a protective thin film barrier to stop oxidation and prevent rust from spreading
- Dissolves corrosion oxide
- Maintains lubricity under high loads for superior reduction of friction, heat and noise
- Use on fifth wheel springs and rails, glad hands, control linkages, roll-up doors, hinges and latches, chains and pulleys and more
- Outperforms other penetrants
- Prevents and removes corrosion build-up
- High dielectric insulation against electrolysis
- Extreme pressure lubricant
- For use on connectors including ABS, 4-13 way plugs and sockets, battery terminals and more

MAT204

MAT423

Approximately 60% of the market is still using loose absorbents — switch 'em to PIG Mat!

Your customers will love PIG Mat! Leaks and spills require fast, effective response — PIG Mat! Other spill response options create even more problems for workers while PIG Mat handles spills quickly and efficiently.

- ✓ **Quick and easy deployment for spill clean-up**
No more sweeping, shoveling, tracking, and dust — increased productivity!
- ✓ **Available in multiple sizes, shapes, and absorbencies**
Use only what you need - little material waste
- ✓ **Won't damage equipment or surface**
Hydraulics, parts, and epoxy floors are safe
- ✓ **Safe for workers**
No silica dust or back-breaking lifting
- ✓ **Packaged for easy use**
Control where you put the material vs. pouring it everywhere
- ✓ **Easy storage**
No need to buy a pallet, freeing up storage space for other merchandise

World's best stuff for leaks, drips, and spills.
